PROFESSIONAL PROFILE

Visionary and results-driven human rights advocate with over two decades of experience championing justice, equity, and systemic reform. Former US TX-10 Congressional Candidate, trusted community leader recognized for grassroots movements unification, reaching a global worldwide audience through advocacy and education. Proven track record in community leadership, trauma-informed support, coalition building, thanx to my multilingual communication skills.

Passionate about legislative reform, protection of vulnerable communities. I'm a fighter for truth and transparency within public service sector. Shaping changes and policy with justice in mind, my only goal is to build a peaceful bridge between citizens and government. A place were justice and accountability indeed do coexist to guarantee governability and stability. I am known for always showing respect, help, care and compassion by uplifting the silences victims, trying my very best to leaving none behind.
